PURPOSE: The Alcohol Review Committee (ARC) has received and reviewed a new alcohol beverage license application for Beer/Wine/Malt Beverage for package sales. The location to be considered for this alcohol beverage license is Clarkston Food Mart located at 1305 Brockett Road. The request is a recent ownership change. Location previously operated coam and due to the Georgia Supreme Court's ruling on March 21, 2016 which preempts the City's existing amendment to the Alcohol Ordinance restricting coam machines, application has been made for alcohol.

NEED/ IMPACT: The new owner of the Clarkston Food Mart has made application for an alcohol beverage, license for Beer/Wine/Malt beverages for retail package sales. To date: all of the required inspections have been performed and passed as well as all of the required background checks. Location meets minimum distances as defined by the Code. The ARC has performed a thorough review of the various components to this application.

RECOMMENDATIONS: Staff (ARC) recommends that the Mayor and Council approve the alcohol beverage license application for Beer/Wine/Malt Beverage.
